FUNDING PROVIDED

All admitted College of Engineering PhD students receive a guarantee of full funding for the expected duration of their program (five years if entering with a Bachelor’s, four years if entering with a Master’s). This comprehensive package includes tuition, fees, University health insurance and a monthly living stipend.

The College also maintains a funding resources website that includes a variety of opportunities for Master’s and PhD students.

COLLEGE OF ENGINEERING

The University of Michigan’s graduate programs in engineering are consistently ranked among the top in the nation, and its researchers are internationally recognized. Each year, the College of Engineering awards more than 1,300 Master’s and Doctoral degrees from 80+ programs and pathways. We are dedicated to meeting the diverse needs of our students, and we are proud to provide excellent facilities, as well as outstanding faculty, staff and graduate students who are eager to welcome and work with you while you are here.

- PhD students are fully-funded
- Co-Curricular experience funding
- Grants are provided to promote a positive graduate student community
- Professional development and social activities are offered throughout the year

#1 PUBLIC UNIVERSITY IN AMERICA
(QS World University Rankings and Niche.com)

#4 BEST ENGINEERING SCHOOL
(U.S. News and World Report)
TIMELINE FOR GRADUATE SCHOOL PREPARATION

**FIRST-YEAR**
- Undergraduate Research Opportunity Program (UROP)
  - UROP creates partnerships between U-M students and faculty
  - umich.edu/urop
- Lunch and Lab with a Graduate Student - Sep-Nov
  - Ask a current graduate student questions about graduate school over a free lunch
  - studentaffairs.engin.umich.edu/lunch-and-lab-with-a-grad-mentoring-program
- Fellowship Application Workshops - Learn how to successfully complete a fellowship application
- Graduate Record Examinations (GRE) Test - Offered year-round
  - ets.org/gre

**WINTER**
- Engineering Research Symposium - February 5, 2021
  - Submit a poster for an undergraduate research poster exhibit, and learn about graduate research by attending poster competitions
  - ers.engin.umich.edu
- Engineer Department Visits - Feb/Mar 2021
  - Multi-day event offers invited prospective students an in-depth look at both the College and departments
  - engin.umich.edu/academics/graduate-degrees/visit/
- Lunch and Lab with a Graduate Student - Jan-Mar
  - Ask a current graduate student questions about graduate school over a free lunch
  - studentaffairs.engin.umich.edu/lunch-and-lab-with-a-grad-mentoring-program

**SUMMER**
- Undergraduate Research Opportunity Program (UROP)
  - UROP creates partnerships between U-M students and faculty
  - umich.edu/urop
- Summer Undergraduate Research in Engineering (SURE) Program - May/Aug 2021
  - Full-time summer research internships at U-M; $5000 stipend
  - sure.engin.umich.edu

**FACT:**
HUNDREDS OF OUR COLLEGE OF ENGINEERING UNDERGRADUATES REMAIN AT THE UNIVERSITY OF MICHIGAN TO ENROLL IN OUR SUGS, MASTER’S OR PHD PROGRAMS ANNUALLY.
